EXPERIENCE

Jun 2021 – Present

Website/Graphic Designer

Freelance, Malden, MA

- Develop responsive wireframes and prototypes, transforming them into fully functional and responsive websites.
- Drove business growth by achieving 598+ site sessions, 492+ unique visitors, and 1,549+ page views within the initial 3 months of website launch.
- Demonstrated adaptability, self-motivation, and proficient time management skills.

Jun 2023 – Aug 2023

UX/UI Intern

OpenKnect, Halethorpe, MD – Government staffing startup

- Collaborated with a team of designers and developers to optimize the hiring and management via a web application.
- Conducted market research and interviews to identify user needs. Aggregated these insights into the design process for improved user satisfaction and product excellence.
- Managed multiple projects concurrently, adeptly navigating pressure situations while maintaining attention to detail.
- Proficient in planning and conducting user research, user testing, information architecture research and rapid prototyping.

Jan 2021 – March 2021

UX/UI Intern

Beedu, Hanoi, Vietnam – Outsourcing startup

- Created wireframes and working prototype across desktop and mobile platforms in advanced prototyping tools (Figma, Framer)
- Collaborated with senior designers to maintain design consistency and coherence.
- Experienced in Agile team environments, engaging in collaborative discussions, creative reviews, and offering and receiving constructive feedback among team members
- Comprehension of product design, user experience principles, information hierarchy, user flows, composition, layout, color theory, and typography.

Oct 2020 – Jan 2021

Graphic Design Intern

LIXIL Corp, Hanoi, Vietnam – Japanese housing product corporation

- Created marketing standees, banners for INAX, GROHE, American Standard and other housing product brands.
- Designed and fine-tuning digital marketing campaigns using Adobe Photoshop and Illustrator.
- Worked with a senior designer and marketing team to manage daily projects.
